Facebook Permission

We have an Oscar Facebook Page. We take photos of children from time to time as they are busy with activities at Oscars and post these photos on Facebook. We know that there are families with special arrangements and would first like to seek permission from parents to post on Facebook.

Can you please complete the following permission slip by ticking the appropriate statement and hand it back to the office on registration.

I, _____ (parents' name) Give consent Do not give consent

that photos of _____ (child/children's name) can be posted on Facebook.
