Talofa lava Parents/Caregivers,

Welcome to our July Holiday Programme **Supervisor: Raylene Foutanu Assistants: Sheron Morrow, Tamika Lewer**

Please read the Programme to know what your tamariki will need to bring on some days: -Suitable footwear, jacket and or warm jersey, hat, drink bottle and a healthy lunch will be things to bring every day.

PLEASE NOTE: We will be based in the Redwoodtown School Hall. If for any reason your tamariki will be dropped off or collected at a time other than the specified start/finish times please inform one of the staff members and if arrangements have been made for someone different to collect your tamariki as well. **It is very important that you let us know ASAP either by txt or phone call if your tamariki is not attending Oscar on any particular day due to illness or a change of plans, phone number 027 750 2073 , this cell phone will be left on and carried in all times during session time.**

Our programme: Week 1. "Emergency Services Week" features Blenheim emergency services. We aim to build confidence and awareness around basic civil emergency knowledge for our tamariki. Week 2 is called "Spring into Action" We are celebrating Spring with lots of fun colourful crafts, activities, games and a couple of trips.

Our program will provide a warm, dynamic, inclusive and responsive environment where we will nurture, unlock and encourage tamariki to express themselves creatively. We intend to follow the programme as closely as possible. However some changes may need to be made dependant on the weather or if other unforeseen circumstances occur, we will then notify you as soon as we can. Please read the programme carefully so you know what your child will need to bring each day. We look forward to seeing you and caring for our tamariki these Sept/Oct holidays.☺

If you have any questions please do not hesitate to contact us.
